

Cart Placement Guidelines

Cart Placement

- Arrows on the lid should point toward the street.
- Cart must be four feet from other objects or obstructions such as mailboxes, trees, streetlights or parked cars.
- Place your carts at the end of your driveway to prevent conflict with parked cars.
- If no driveway fronts the street then place within the grassy boulevard strip.
- Place carts on as level of a surface as possible and away from overhanging tree branches.
- The cart lid should be closed and not be overflowing. Items outside the cart will not be collected.
- Placement of containers will only be allowed within 24 hours prior to the scheduled time of collection with required removal of containers within 24 hours after the scheduled collection
- Carts may be stored along primary and accessory structures and may be in public view. Storage of carts and receptacles shall be prohibited in any street yard.

Common Reasons for Missed Collection

- Cart placement is not in accordance to the above guidelines.
- Cart is placed out at the curb after the designated collection time.
- Trash has been placed outside the cart or is overfilled.
- Cart contains unacceptable materials.
- Cart has been placed atop a snow bank.

Winter Cart Placement Tips

- Keep a spot clear at the curb or on the boulevard for your carts.
- Clearing snow after each snowfall will make it easier to move your cart to its collection point.
- Carts should not be set on snow banks.
- Do not place your carts in the street as carts can get hit by vehicles or snow plows.
