

SOUTH WOOD COUNTY AIRPORT
 Jeremy Sickler, Airport Manager

February 2022

Airport Development:

Ryan Falch of MSA Professional Services provided an update on the ongoing development projects at the February Commission meeting. The fuel system project will kick off in early April and be done in early June. Communications with property owners regarding easements will be coming in approximately a month. A new petition is underway which will be the Commission’s most recent Capital Improvement Plan with the Bureau of Aeronautics. The FAA has large sums of money under the Infrastructure Bill which might allow for development of some of these projects sooner than would have been expected.

Fuel Type	Previous month	Current month	This month last year	Year to date	Last year to date	Year over Year
100 LL	318.56	534.57	460.12	853.13	737.79	116%
Jet A	1586.73	685.22	422.50	2271.95	997.50	228%
TOTAL	1905.29	1219.79	882.62	3125.08	1735.29	180%

Airport Monthly Revenues:

Sales

Fuel:	\$5518.69
Ramp Fee:	\$350.00
Lav Fee:	\$0
GPU:	\$0
Call Out Fee:	\$
Transient Hangar:	\$45.00
Catering:	\$0

Year over year total fuel gallon sales comparison through January:

2020 - 1209.72 gallons
 2019 - 2239.18 gallons

Other Airport Items:

The plow for the pickup truck is installed.

Permitting and leak testing of the existing underground tanks is complete. Our permits are granted with an exception because the new system will be complete in less than a year.

Petition materials are slowly being collected and submitted.

Applications for Federal infrastructure grants are underway.
