

SOUTH WOOD COUNTY AIRPORT
 Jeremy Sickler, Airport Manager

March 2022

Airport Development:

Fuel System Construction: Walt’s Petroleum reported to MSA PS that construction will commence April 19, 2022 and is anticipated to be substantially complete June 3. A pre-construction meeting has yet to be scheduled.

Obstruction Removal/Easement Acquisition: MSA real estate staff and appraisers are going to start meeting with the property owners in May. Properties are analyzed based on the difference between the value of the property before and after the easement acquisition. The majority of the negotiation regarding owner expectations, state requirements, and Airport regulations will take place during this phase.

Ryan Falch will be attending the meeting to elaborate on the details of these projects.

Fuel Type	Previous month	Current month	This month last year	2022 year to date	2021 year to date	Year over Year
100 LL	534.57	1432.87	713.71	2286.00	1451.50	157%
