

*Good Morning Businesses,*

*Thank you to all businesses who spoke with Heart of Wisconsin Chamber of Commerce and those that attended the City of Wisconsin Rapids' information session on the East Grand Avenue Construction. Your dedication to business and progress is greatly appreciated. The construction date has been moved April 15th at 8 AM. We are encouraging business to participate in purchasing signage if they find it helpful. The signs will help to let the community and visitors know that the downtown area is still open and ready for business.*

*Attached is the required specifications for signage. These requirements make the signs consistent and easily readable. The City of Wisconsin Rapids will install the signs once they are completed for safety reasons. If you plan on participating please fill out the attached form and send it back to [EGrand@wirapids.org](mailto:EGrand@wirapids.org) so that the City gets an inventory of the requested signage and locations ahead of delivery and installation. Once the signs are made they can be dropped off at the Engineering Dpt at City Hall, 444 W Grand Ave.*

*We again encourage each business to participate. Listed below is the contact information for local printing companies. Please utilize them for your needed services.*

*Timeless Quality Imaging  
(715) 423-1874
