340.001 STATE TRAFFIC LAWS ADOPTED (MC#530)

Except as otherwise specifically provided in this code, the statutory provisions in Chapters 340 to 348 of the Wisconsin Statutes, describing and defining regulations with respect to vehicles and traffic, exclusive of any provisions therein relating to penalties to be imposed and exclusive of any regulations for which the statutory penalty is a fine or term of imprisonment, are hereby adopted and by reference made a part of this code as if fully set forth herein. Any act required to be performed or prohibited by any statute incorporated herein by reference is required or prohibited by this code. Any future amendments, revisions, or modifications of the statutes incorporated herein are intended to be made part of this code in order to secure, to the extent legally practicable, uniform statewide regulations of traffic on the highways, street, and alley of the State of Wisconsin.

340.002 OFFICIAL TRAFFIC MAP AND CONTROL DEVICES; PROHIBITED SIGNS, SIGNALS, AND MARKERS

- (1) Office of City Traffic Engineer is Hereby Established. The position will be under the supervision of the city engineer. It shall be the general duty of the city traffic engineer to recommend to the proper common council committee, the ordinance for the installation of traffic control devices, including streets signs and markings; to conduct engineering analysis of traffic accidents and to revise remedial measures; to conduct engineering investigation of traffic conditions; to plan the operation of traffic on the streets and highways of this city and to cooperate with the other city officials in the development of a way and means to improve traffic conditions; and to carry out the additional powers and duties imposed by ordinance of this city.
- (2) Duty of City Traffic Engineer to Erect and Install Uniform Traffic Control Devices. Whenever traffic regulations created by this code, including a State of Wisconsin traffic regulation adopted by reference in Section 340.001, requires the erection of traffic control devices for enforcement, the city traffic engineer shall procure, erect, and maintain uniform traffic control devices conforming to the Uniform Traffic Control Device Manual promulgated by the Wisconsin Department of Transportation, giving notice of such traffic regulation to the users of the streets and highway on which such regulations apply. Whenever state law grants discretion to local authorities in erecting or placement of a uniform traffic control device, devices shall be erected in such locations and in such a manner as, in the

- judgment of the city traffic engineer, will carry out the purposes of this code and give adequate warning to users of the streets and highways of the city.
- (3) Code Numbers to be Affixed to Official Traffic Control Devices. The city traffic engineer shall cause to be placed on each official traffic control sign, guide board, mile post, signals or markers, erected under Section 340.002(b) a code number assigned by the Wisconsin Department of Transportation, and shall also place, or direct the placing of, code numbers on all existing official traffic control devices as required by the laws of the State of Wisconsin.
 - (4) Official Traffic Map.
 - (a) Official traffic map established. There is hereby established an official traffic map for the City of Wisconsin Rapids upon which shall be indicated no parking areas, restricted parking areas, stop signs, arterial intersections, yield signs, special speed limits, one-way highways, school crossings, and all other restrictions or limitations contained in this code, as from time to time amended or modified by the common council when the laws of the State of Wisconsin require the erection or use of official traffic control devices to enforce such restrictions or limitations.
 - (b) Violations prohibited. When official traffic control devices giving notice of the restrictions, prohibition, and limitations shown on the official traffic map are erected and maintained in accordance with the provisions of this section, a violation of this restriction, prohibition, or limitation shown on the official traffic map shall be a violation of the provisions of this code.
 - (c) Map to be maintained. A copy of the official traffic map shall be maintained and displayed in the office of the director of public works, police department, and circuit court. (MC#813)
 - (d) Additions to map. The common council may, from time to time, make additions to or deletions from the official traffic map and the city traffic engineer shall keep such official traffic map current.
 - (5) Prohibited Signs and Markers on Highways. No person other than an officer authorized by this code to erect and maintain official traffic control devices, or his or her designee, shall place within the limits of any street or highway maintained by the city any sign, signal, marker, mark, or monument placed or maintained in violation of this section shall be subject to removal as provided in Section 340.002(6).
 - (6) Removal of Unofficial Signs, Markers, Signals, and Traffic Control Devices. The city traffic engineer may remove any sign, signals, marking, or other device which is placed, maintained, or displayed in violation of this code or state law. Any charge imposed against premises for removal of a prohibited or illegal sign, signal, marking, or device shall be reported by the city traffic engineer to the common council for review and certification at its next regular meeting following the imposition of the charge. Any charge not paid on or before the next succeeding November 15 shall be placed upon the tax roll for collection as other special municipal taxes.

340.011 OBSTRUCTION OF RAILROAD CROSSING

No person or corporation shall leave standing or stop or permit or allow to stand any railroad train, engine, or car upon any street, alley, or highway crossing within the City of Wisconsin Rapids so as to obstruct public travel for a greater period of time than ten minutes without opening said street, or crossing for at least ten minutes.

340.012 SNOWMOBILE REGULATIONS

- (1) No person shall operate a snowmobile upon any street, highway, alley, or public right-of-way within the

- City of Wisconsin Rapids, except as provided for on the snowmobile routes designated herein.
- (2) Pursuant to the authority granted to the City under s. [350.18](#), Wis. Stats., the following routes are designated snowmobile routes in the City:
 Industrial Street, from 800 feet from West Grand Avenue/State Highway 73, to the 26th Avenue alleyway.
 The 26th Avenue alleyway, from Industrial Street to 700 feet south of Industrial Street.
 25th Avenue South, from Industrial Court to 200 feet south of the railroad track crossing.
- (3) The following restrictions are placed on the use of City snowmobile routes:
- A. City streets designated as snowmobile routes shall be marked with uniform snowmobile route signs in accordance with s. [350.13](#), Wis. Stats. No person may do any of the following in regard to signs marking City snowmobile routes:
1. Intentionally remove, damage, deface, move, or obstruct any uniform snowmobile route or trail sign or standard of the type established by the State of Wisconsin, Department of Natural Resources or intentionally interfere with the effective operation of any uniform snowmobile route or trail sign or standard if the sign or standard is legally placed by the state, any municipality, or any authorized individual.
 2. Possess any uniform snowmobile route or trail sign or standard of the type established by the State of Wisconsin, Department of Natural Resources for the warning, instruction, or information of the public, unless he or she obtained the uniform snowmobile route or trail sign or standard in a lawful manner. Possession of a uniform snowmobile route or trail sign or standard creates a rebuttable presumption of illegal possession.
- B. Operation shall be subject to all provisions of s. [350.04 \(2\)](#), Wis. Stats., and any other provision of chapter 350, Wis. Stats., which is adopted as a part of this ordinance by reference, pursuant to s. [350.18](#), Wis. Stats.
1. Snowmobiles shall be operated on the extreme right side of the roadway.
 2. Left turns shall be made as safely as possible from any position depending on snow cover and other prevailing conditions.

The city shall participate in the Traffic Violation and Registration Program established in Sections 85.13 and 345.28 of the Wisconsin Statutes and Wisconsin Administrative Code TRANS-128. Required procedures and forms of notices to violators and the Department of Transportation shall be prepared by the city attorney.

340.015 REFERENCE TO WISCONSIN STATUTES

- (1) Statutes Specifically Incorporated by Reference. Whenever this ordinance incorporates by reference specific sections of the Wisconsin Statutes, such reference shall mean the Wisconsin Statutes of 1981-1982 as from time to time amended, repealed, or modified by the Wisconsin Legislature.
- (2) General References. General references in this ordinance to Wisconsin statutory sections or chapters describing or defining procedures or authority for enactment or enforcement of local traffic regulations shall be deemed to refer to the most recent enactments of the Wisconsin Legislature describing or defining such procedures or authorities.

340.016 STORAGE FEES FOR SEIZED VEHICLES (MC#645)

- (1) The City of Wisconsin Rapids Police Department shall charge a fee of \$2.00 per day for vehicles stored by them pursuant to an order of seizure under Chapter 346, Wisconsin Statutes.
- (2) Storage fees shall be collected pursuant to the formula set forth in Chapter 346 of the Wisconsin Statutes relating to the disposal of seized vehicles.

340.017 IMMOBILIZATION OF VEHICLES (MC#646)

- (1) Fees for Immobilization of Vehicles Pursuant to Chapter 346, Wisconsin Statutes. Any party, whose vehicle is immobilized pursuant to an order of immobilization, under Section 346, Wisconsin Statutes, shall pay a fee of \$50.00 to the Wisconsin Rapids Police Department at the time the vehicle is immobilized.
- (2) Damages for Lost, Damaged, or Destroyed Immobilization Devices. If an immobilization device is lost, damaged, or destroyed while connected to a vehicle, the owner shall be liable for the cost of replacing the immobilization device including, but not limited to, any costs incurred by the Wisconsin Rapids Police Department in attempting to recoup the cost of the device.

340.018 COMPRESSION BRAKE REGULATION

- (1) No person shall use motor vehicle brakes within the City of Wisconsin Rapids which are in any way activated or operated by the compression of the engine of a motor vehicle, or any unit or part thereof, except in an emergency situation.
- (2) Any person who shall violate this ordinance shall pay a forfeiture of not less than fifty dollars (\$50.00) nor more than two hundred dollars (\$200.00), plus court costs. (MC#864)

Note: Since approval was not obtained from the WisDOT, section 340.019 is null and void.

340.020 USE OF HAND-HELD MOBILE TELEPHONES AND MOBILE ELECTRONIC DEVICES WHILE DRIVING (MC#1117)

- (1) For purposes of this section, the following terms have the following meanings:
 - (a) "Mobile telephone" means a cellular, analog, wireless or digital telephone capable of sending or receiving telephone communications without an access line for service.
 - (b) "Using" or "use" means holding a hand-held mobile telephone to, or in the immediate proximity of, the user's ear.
 - (c) "Hand-held mobile telephone" means a mobile telephone with which a user engages in a call using at least one hand.
 - (d) "Hands-free accessory" means an attachment, add-on, built-in feature, or addition to a mobile telephone, whether or not permanently installed in a motor vehicle, that, when used, allows the vehicle operator to maintain both hands on the steering wheel.
 - (e) "Hands-free mobile telephone" means a hand-held mobile telephone that has an internal feature or function, or that is equipped with an attachment or addition, whether or not permanently part of such hand-held mobile telephone, by which a user engages in a call without the use of either hand, whether or not the use of either hand is necessary to activate, deactivate or initiate a function of such telephone.
 - (f) "Engage in a call" means talking into or listening on a hand-held mobile telephone, but does not include holding a hand-held mobile telephone to activate, deactivate or initiate a function of such telephone.

- (g) "Immediate proximity" means the distance that permits the operator of a hand-held mobile telephone to hear telecommunications transmitted over such hand-held mobile telephone, but does not require physical contact with such operator's ear.
 - (h) "Mobile electronic device" means any hand-held or other portable electronic equipment capable of providing data communication between two or more persons, including a text messaging device, a paging device, a personal digital assistant, a laptop computer, equipment that is capable of playing a video game or a digital video disk, or equipment on which digital photographs are taken or transmitted, or any combination thereof, but does not include any audio equipment or any equipment installed in a motor vehicle for the purpose of providing navigation, emergency assistance to the operator of such motor vehicle or video entertainment to the passengers in the rear seats of such motor vehicle.
- (2)
- (a) Except as otherwise provided in this subsection, no person shall drive a motor vehicle upon a highway, as defined in s. 343.305 (1) (b), Wis. Stats., while using a hand-held mobile telephone to engage in a call or while using a mobile electronic device while such vehicle is in motion. A driver of a motor vehicle who types, sends or reads a text message with a hand-held mobile telephone or mobile electronic device while such vehicle is in motion shall also be in violation of this section.
 - (b) A driver of a motor vehicle who holds a hand-held mobile telephone to, or in the immediate proximity of, his or her ear while such vehicle is in motion is presumed to be engaging in a call within the meaning of this section. The presumption established by this subdivision is rebuttable by evidence tending to show that the driver was not engaged in a call.
 - (c) The provisions of this subsection shall not be construed as authorizing the seizure or forfeiture of a hand-held mobile telephone or a mobile electronic device, unless otherwise provided by law.
 - (d) Subdivision (a) of this subsection does not apply to:
 - (1) the use of a hand-held mobile telephone for the sole purpose of communicating with any of the following regarding an emergency situation: An emergency response operator; a hospital, physician's office or health clinic; an ambulance company; a fire department; or a police department, or
 - (2) any of the following persons while in the performance of their official duties and within the scope of their employment: A peace officer, a firefighter or an operator of an ambulance or authorized emergency vehicle, or a member of the armed forces of the United States, while operating a military vehicle, or
 - (3) the use of a hands-free mobile telephone.
- (3) Any person who violates subsection (2) of this section shall be fined not more than one hundred dollars [except that the fine shall be suspended for a first time violator who provides proof of acquisition of a hands-free accessory subsequent to the violation but prior to the imposition of a fine] for a first violation, one hundred fifty dollars for a second violation and two hundred dollars for a third or subsequent violation.
