Minutes

1. Call to order

2. Introduction to Public Works/Streets Division & Tour *20 min*

Matt Heideman, Parks and Buildings Supervisor provided a tour of the City Garage including the winter snow and ice control equipment, garbage and recycling trucks, maintenance and the salt shed.

3. Active Project Work *Break up into small groups*

a. Aquatics Project Phase I-Fundraising *40 min*

- i. Riverkings- home game: can set up a table...open dates would be Feb 7 or 22. You would be able to set up a table in the lobby between 6-6:15pm, game time is 7pm. I usually tell groups with a table set up to plan on tearing down into the 2nd period or when the ticket lady is done taking tickets. Let me know what you would like our announcer to say about your group. As far as the Chuck a Puck idea...that's a no go...we have a season sponsor for that. What you could do is donate items for the intermission game winners or a raffle basket that fans can enter to win for free or for a donation to the team. **This group should meet before the next meeting to iron out details.**

- ii. Skate with the Mayor event *notes have not been shared as of 2/4/20.*

- iii. Snowman Contest

So far, 4 elementary schools have submitted entries to the first phase! Check them out on facebook.com/wraquatics. A google form will be distributed for voting on the winners. For the next phase, our group is going to contact Rapids Ford, Terrace Homes, and Cravings as they are going to donate the money for prizes. We have also been working on our flyer/poster and it is almost done. We are waiting on getting the business logos and finalizing who the judges will be.
