Aquatics Center Update

Current Active Projects

- Snowman Contest: Allison did not attend this portion of the meeting, so Lauren provided brief update. No entries in the community contest? Allison will provide more detailed update at next meeting.
- Skate with the Mayor (*break into small groups, then report out*): The group agreed to gear the event to children. Due to low attendance during the working portion of yesterday's meeting, Lauren suggested a committee meeting before the event to shore up planning (ex: communications lead, concessions, music, etc.). Some items we discussed related to this event:
 - Play kids music, such as Disney and Nickelodeon music
 - Arrange teens who would dress as Disney characters (ex: Elsa) to skate with the kids
 - Invite RiverKings
 - Games
 - Advertise event with elementary schools and daycare centers

Possible Future Projects

- Movie Nights: Gear event towards teens. Work around June 21st, the longest day of the year. There will be a gap of time between pool closing and movie starting, which will provide time to set up then have a pre-movie activity. The group talked about playing sardines, eating and/or having a raffle. Don't forget time for people to change from swimsuits into movie-watching clothes.

Friendly Reminders:

- Attendance conflicts **MUST** be communicated in advance
- If transportation is a need, please coordinate with a fellow member or contact Emily

- Ticketed Aquatics Center Preview Nights
 - Teen Preview Night: merge the movie night and preview night?
 - Adult Preview Night: MYC members were interested in helping to plan and staff the preview event geared toward adult donors. It would be a ticketed evening or weekend gala event in the first week of June.
