Mayor's Updates

The WRRC's Aquatics Center opened on Monday and has been full to the (reduced) capacity in the afternoons of Tuesday and Wednesday.

Project Updates

There are no current updates on projects, because of limitations from COVID-19 pandemic. Projects are discontinued this summer.

Youth Council Purpose and Expectations Document Update

Mayor Blaser asked the council how they felt about removing the student observer position. Those on the call were comfortable with removing the position, but Mayor Blaser will also request feedback from those currently in the student observer position.

The only change to the original draft *Youth Council Purpose and Expectations* document, sent June 23rd, was a request to change the default meeting time to 3:30 pm. The group on the call felt that was reasonable.

Set Next Meeting and Agenda

The next meeting will be August 12th, 3:30 – 4:30pm, and we will discuss recruitment activities and plans for next year's MYC (ex: proposed tours and speakers).

The meeting adjourned at 3:42 pm.
