**Economic Development and Placemaking**

Kyle Kearns, Director of Community Development for the City of Wisconsin Rapids, presented on economic development and placemaking. The presentation slides will be shared, so that members have the list of resources presented.

**Project Work**

Youth Council members didn't participate in the GroupMe chat, so Emily asked how they would like to use their time in the Mayor's Youth Council this winter – would they like to start a new project (ex: a social media campaign, recording marketing videos, etc.), adapt the ice skating event or use our time together differently this winter (ex: additional learning opportunities, volunteering or something else)? Those in the meeting agreed that they could start planning for a large spring/summer project, even creating marketing videos soon. The group discussed a movie night and/or a night swim at the WRRRC Aquatics Center. The group will discuss in more detail at the next meeting.

**Set Next Meeting and Agenda**

On February 10<sup>th</sup>, 3:30 – 4:30pm, the meeting will be held by Zoom and in-person. The learning opportunity is still being arranged. The group will also have project work time.

The meeting adjourned at 4:27 p.m.
