Project Work

Vaccination Information Video: Optimally, this will be a completed project before our next meeting – the longer we wait, the fewer people will need the information we are spreading.

- Information:
 - Interview people who have been vaccinated: Rachel and Caroline
 - Get information about the vaccine: Hobie
- Production:
 - Create a poster: Kloey, Caroline and Sadie
 - Act in the video: Rachel and Ashlyn
- Marketing:
 - Social media
 - Restaurants with poster boards in the community

Aquatics Center Video: This will be a future project, to be produced before the Aquatics Center opens this summer. The Youth Council would tour the Aquatics Center with a camera and show the use of slides and other amenities to entice people to visit.
