History of Paper in our Community

Katie Weichelt gave a presentation about the history and geography of papermaking in our community.

Project Work

Vaccination Information Video: They shot the video on Monday, April 19th. Unfortunately, the files were lost and couldn't be recovered. The group wasn't enthusiastic about retaping. They agreed that sharing a post from the Health Department on MYC's Facebook page would be appropriate.

Aquatics Center Promotional Video: The video will be recorded on June 4th, during the Aquatics Center "dry run" from 2:15 – 4:30pm. There will be other people there using the facilities and staff practicing before the Aquatics Center opens. Everyone will be asked to sign a photo and video release when they arrive, so that they can be in the shots. Kevin is responsible for providing a few options for recording in different ways (ex: drone, regular video camera, waterproof cell phone, etc.) and the MYC students will work on a plan for the promotional video, including script. Emily will send a Doodle Poll to get a headcount of participants planning to attend the "dry run."

Friends of Rapids Music Festival: Given the early September timing and the number of seniors in our group, it wasn't reasonable to commit to this event.

Set Next Meeting and Agenda

Our next meeting will be in the last week of May, from 3:30 – 4:30pm. Students are asked to complete the Doodle Poll as soon as possible, so that we may select the date that works best for the majority of students. The meeting will be held in-person at City Hall, where the mayor will provide an informational tour of City Hall, followed by a Senior Send-Off Celebration, including pizza and games.

The meeting adjourned at 4:25 p.m.
