Wylie St - sidewalk

- **Wylie Street (8th St to 12th St)**
Curb and gutter installation is complete and the contractor is busy forming and pouring sidewalk. It is anticipated that the concrete contractor will complete the sidewalk this week. City crews will finalize gravel grading in preparation for asphalt paving.
- **Mead Field Pickleball Courts**
Contract work is complete for 2024. Final coatings on the court will be completed in the spring. City crews are currently installing storm sewer piping to serve the new playground adjacent to the pickleball courts.
- **Jackson Street & Grand Avenue Bridge Lighting Project**
E-Con Electric will complete the Grand Ave bridge installation this week and will need to move back to the Jackson St bridge starting on Wednesday. The bridge lighting is expected to operational by the end of this month.
- **3rd St N – Spring St to Cherry St**
Storm sewer structures and associated piping were installed last week to remedy drainage issues along this street.
- **Sewer manhole replacement**
City crews are scheduled to begin a two-week sewer manhole replacement project as early as November 11th between STH 13/34 and Reddin Rd.
