The Wastewater Treatment Commission met at 1:30 p.m. on July 13, 2022 at the Wastewater Treatment Plant, 2540 1st Street South. The following members were present: David Yonkovich, and Tammy Steward; on Zoom: David Laspa and Joe Eichstaedt. Alderman Dennis Polach was also present.

1. **Minutes of the June 8, 2022 meeting:** A motion was made by David Yonkovich and seconded by Ryan Austin to approve the minutes of the June 8, 2022 Commission meeting. **Motion Carried.**
2. **Introduce new assistant superintendent, Al Belke.**
3. **Discuss phosphorus compliance plan:** Black & Veatch’s options for phosphorus removal alternatives were discussed. Installation of an anaerobic selector shows to be a larger investment over chemical addition. Phosphorus compliance operations are currently using less chemical than originally forecasted, significantly reducing cost to continue with chemical addition. An investment into increased storage for chemical is significantly smaller than the biological alternative. A motion was made by Ryan Austin and seconded by David Yonkovich to approve the proposed compliance plan. **Motion Carried.**
4. **Biron contract update:** No update to provide.
5. **Supervisory Report:**
 - a. Administrative report: Derek Budsberg provided a report summarizing 5300 feet of sewer televised, 2800 feet of sewer flushed, 41 catch basins cleaned, and 2 sewer calls for June 2022. Plant operations included E. coli testing in preparation for 2025 permits and equipment repairs.
 - b. Monthly Plant Report: All plant operations were within the WDNR Discharge Permit ranges.
6. **Bills and Revenues:** A motion was made by Ryan Austin and seconded by David Yonkovich to accept the bills and revenues for June 2022. **Motion Carried.**
